SUMMER HOLIDAY HOMEWORK

“The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice”

Holiday Homework is an attempt to enhance children’s imagination. Doing it in the right spirit with enthusiasm will make it a great learning experience.

Dear Parents,

There is no doubt that vacations are the most appropriate time for the students to refresh and rejuvenate themselves to showcase their performance more enthusiastically. Children have ample energy which needs to be channelized in the right direction to get the best out of them.
