HOLIDAY HOMEWORK

SUMMER HOLIDAY HOMEWORK
CLASS: LKG

Dear Parent,

Happy Holidays to our little kiddos!

We are going to miss our little bundles of energy and will be waiting to have them back with the joy, health and energy.

We have prepared some holiday activity sheets for the children to keep themselves busy during the vacation. Please appreciate and indulge them to do the things they enjoy best. Please do not force the child to complete the work. Help the children explore, observe and find his/her own solutions so that they can spend a wonderful time while doing their work.

Let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

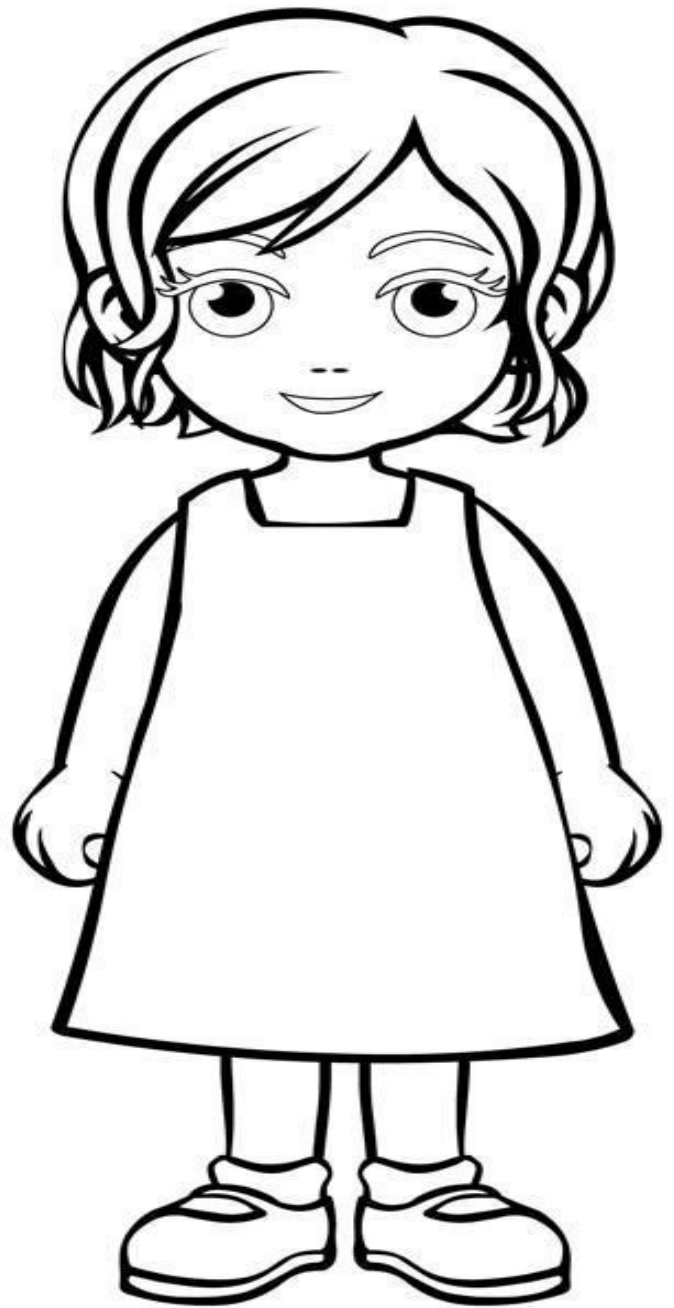

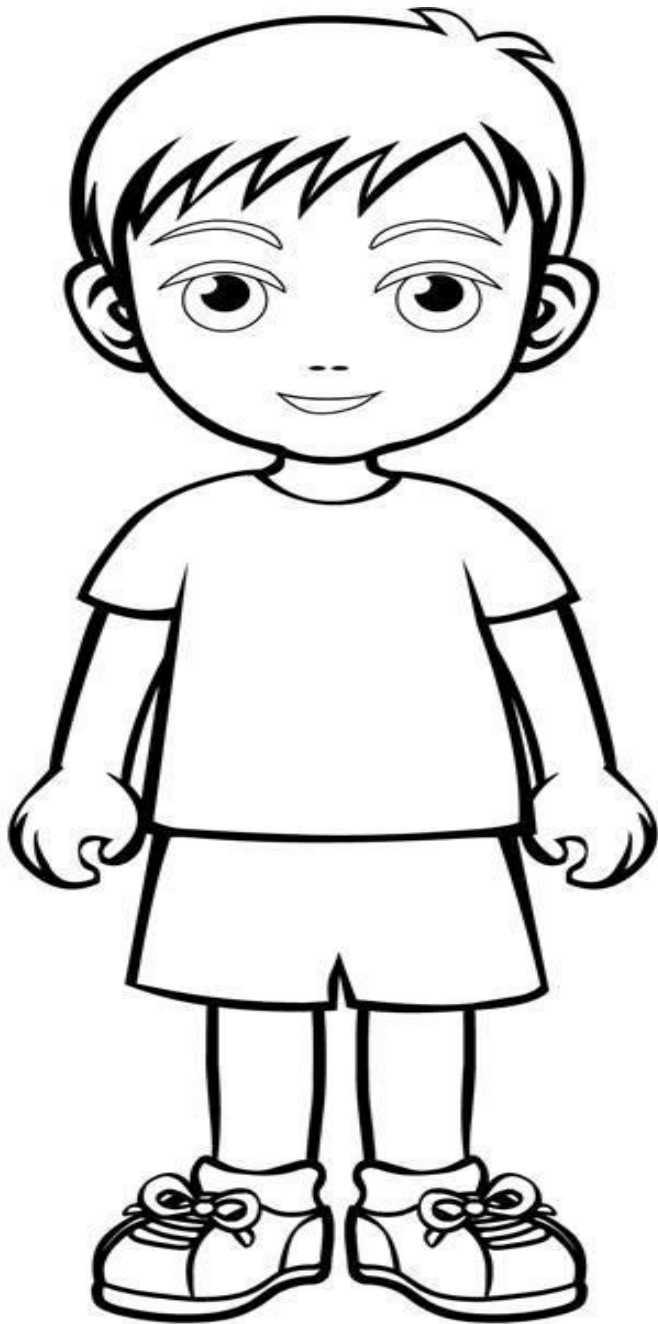

INSTRUCTIONS FOR PARENTS:

1. We expect holiday homework to be completed.
2. Encourage and guide your child through these activities.
3. Kindly try to speak with your child in English.
4. Kindly train your child in basic etiquettes of washroom and table manners.
5. Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an internal part of your child's growth.
6. Share your childhood stories and family history.

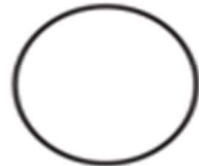

Regards,
Class Teacher

*Happy
Holidays*

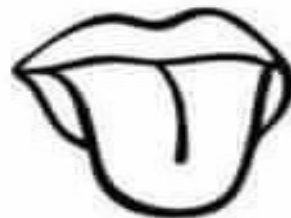

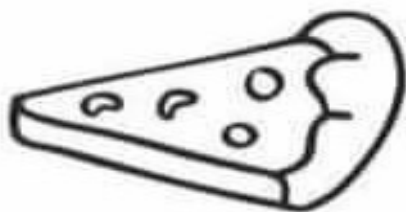

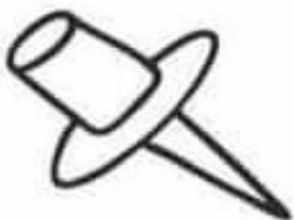

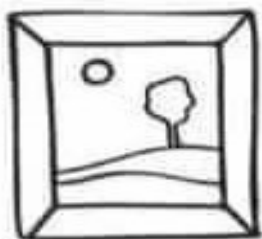

ALL ABOUT ME COLOUR THE PICTURE

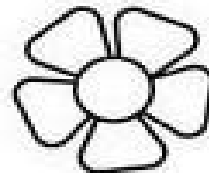

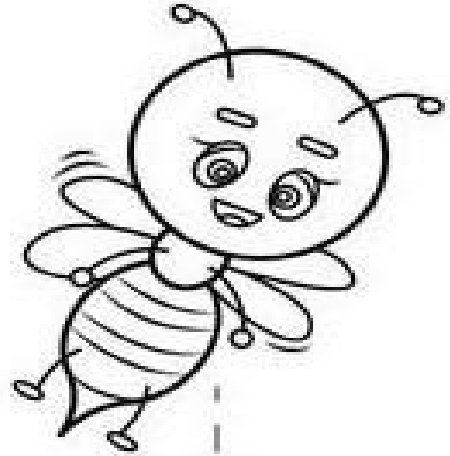

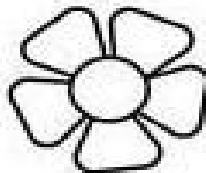

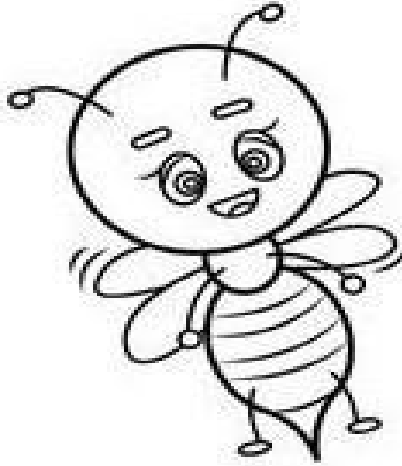

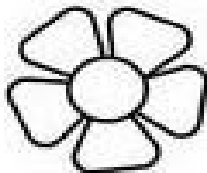

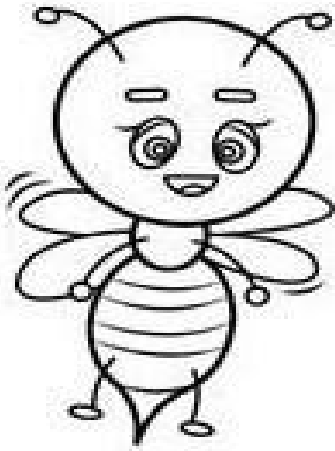

Circle the picture that is different.

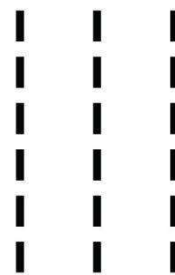

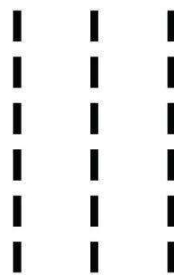

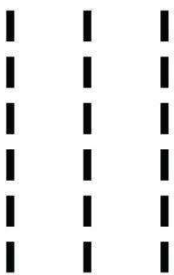

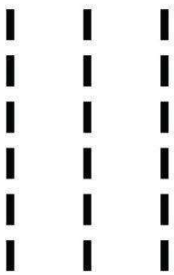

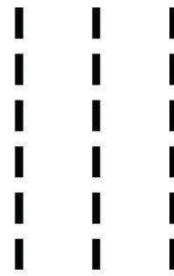

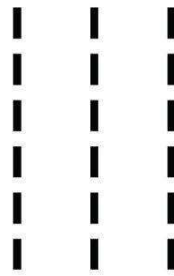

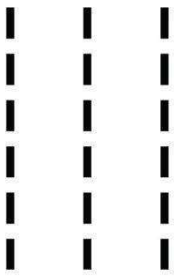

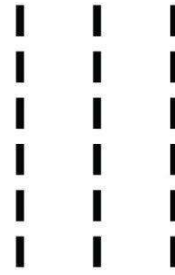

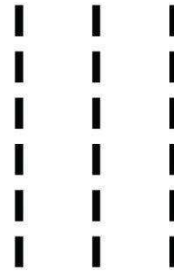

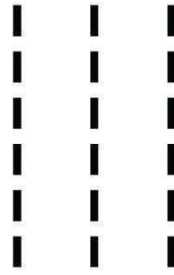

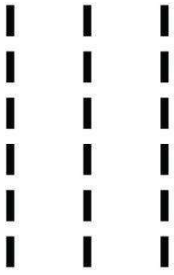

MATCH THE THINGS WITH THE CORRECT SENSE ORGANS

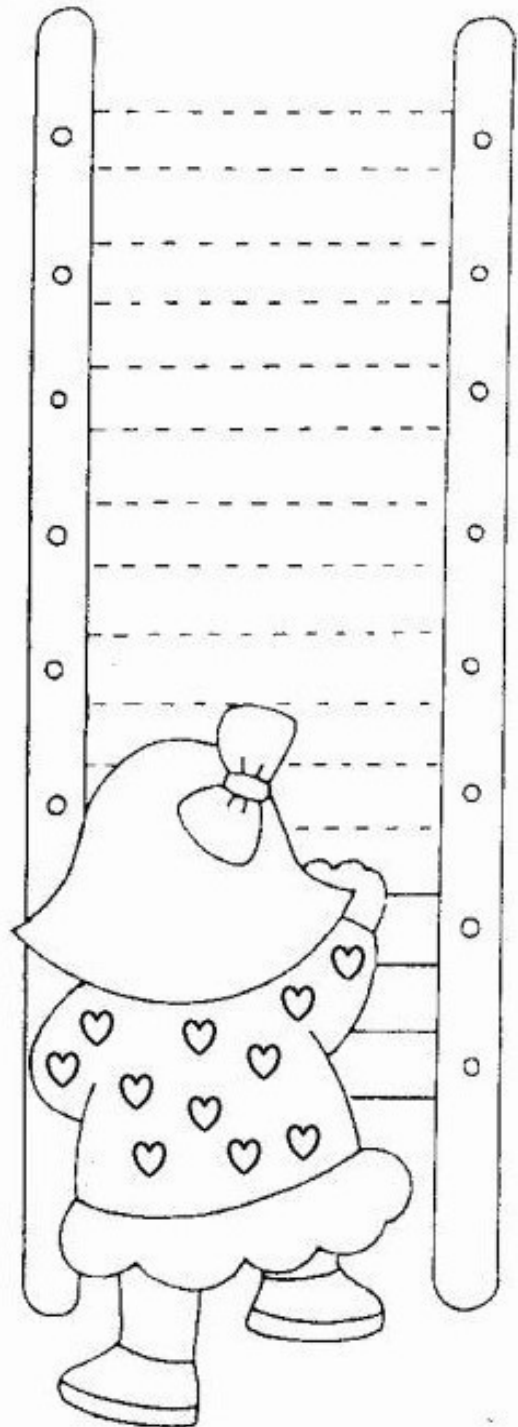

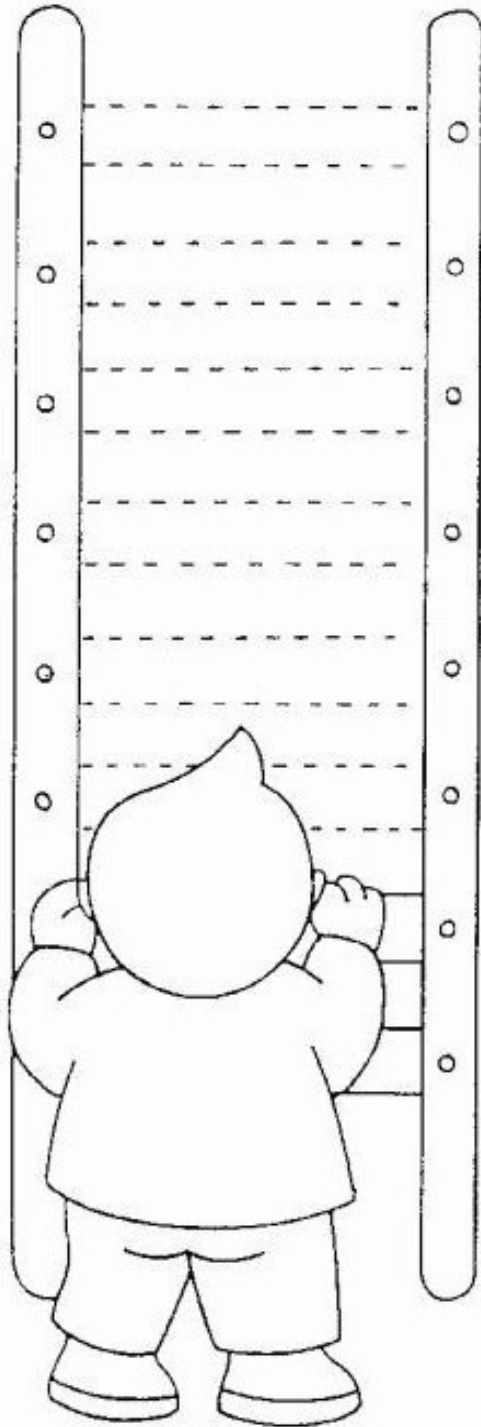

TRACE THE STANDING LINES WITH CRAYONS

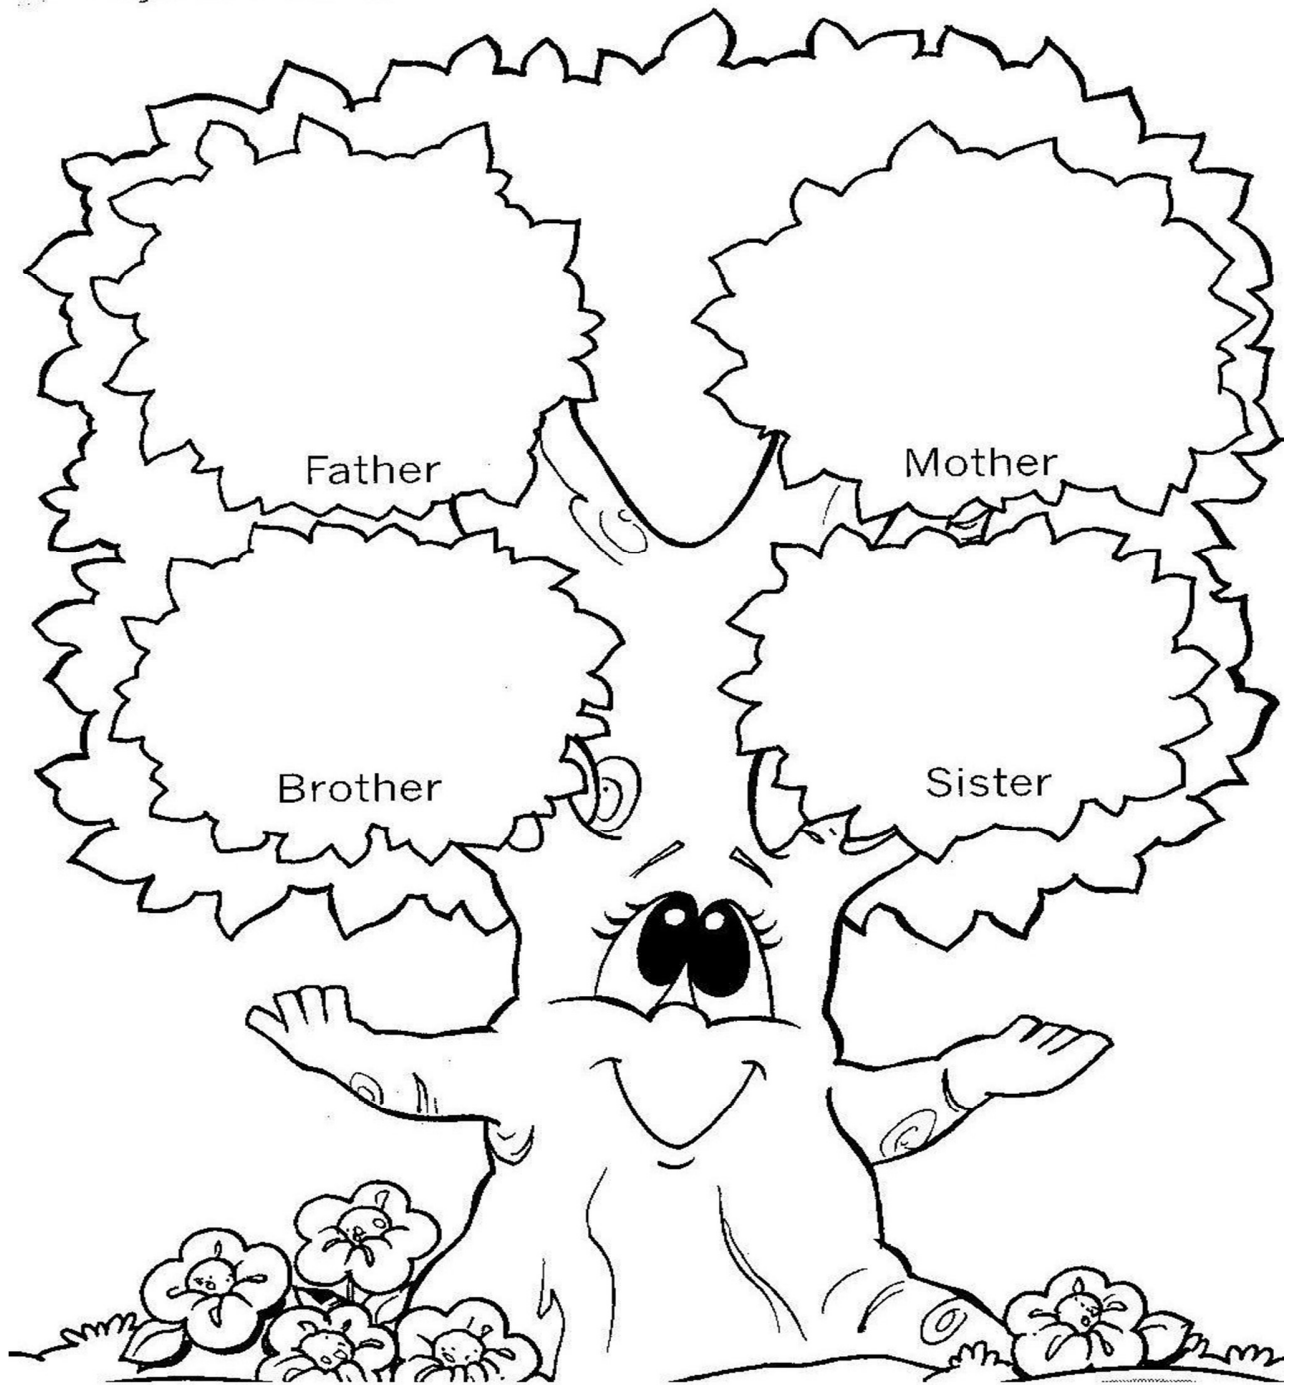

TRACE THE STANDING LINES WITH CRAYONS

TRACE THE LINES WITH CRAYONS

PASTE THE PICTURES OF YOUR FAMILY MEMBERS AND COLOUR THE TREE

CHAPTER/TOPIC: COLOUR THE PICTURE AND DECORATE IT.

ACTIVITY 1

WASH WASH WASH YOUR TOYS!

Let's make our little ones have some fun with their Toys! Children play with their toys nearly every day, so they carry a lot of dust, saliva, and dirt if they aren't cleaned regularly.

MATERIAL REQUIRED: 3 buckets, 1 tray, water, soap, old toothbrush, Dettol disinfectant/sanitizer, cloth, your child's favourite toys, water

DIRECTIONS:

- Collect all the toys. Segregate the wooden toys (non-washable) & plastic (washable) toys.
- Take 3 buckets/tubs. Put soapy water in the 1st one, clean water in the 2nd one, and water with 1-2 spoons of Dettol or any disinfectant in the 3rd bucket.
- Ask the child to put the washable toys in soapy water and rub them nicely. An old toothbrush can be used to clean them. Then, transfer the toys in the 2nd bucket and rub again for a few minutes. Now, transfer them in the 3rd bucket. Dip them in nicely.
- Ask the child to remove the toys from the 3rd bucket and then clean the toys with a clean dry cloth and put them in a clean tray.
- Now, the child should put all the cleaned toys back into their place (cupboard or rack).
- For non - washable (wooden) toys, do not put them in any bucket. Clean them with a wet sanitized cloth first and then a dry cloth.
- Now, the most important part: **Cleaning up the mess!**
- With help, children should drop all the water in the basin. Then, put the buckets away and then clean the spillage with the cloth. Keep the dirty cloth for washing.

CONCEPT to be taught: Life skills, Physical Activity

ACTIVITY 2

Dance like No one's watching!

Let's dance with our little ones to their favourite tunes!

Here is a list of 5 songs/rhymes that our children really love:

1. Ram Sam Sam Song (Check out the video of 'The LearningStation' on YouTube - <https://youtu.be/zBttxAMxaXE>)
2. Shake Shake (by Patty Shukla - <https://youtu.be/I5RUzkySseE>)
3. Freeze Dance (by The Kiboomers - <https://youtu.be/2UcZWxvgMZE>)
4. Baby Shark (by Pinkfong - <https://youtu.be/XqZsoesa55w>)
5. If you are happy and you know it (super simple songs - <https://youtu.be/M6LoRZsHMSs>)

You may definitely play your child's favorite song

" Get the entire family together to dance together
and let the child be your Dance Trainer! "

Don't forget to make a video to share with us!

SKILLS:
GROSS MOTOR SKILLS, FITNESS,
HAND- EYE COORDINATION

ACTIVITY 3

BEAT THE HEAT

Watermelon Ice

Popsicles

Watermelon Ice Popsicles are the perfect summer treat. They are light and refreshing and makes a delicious afternoon delight for the kids. Popsicles are a great low-fat sweet snacks flavored with the natural sweetness of the fresh watermelon. You can freeze popsicles in popsicle molds or even in the standard ice cube trays as well.

Recipe:

- To prepare the Watermelon Popsicles, combine the watermelon cubes and sugar in a blender.

Blend together to a consistency of a thick juice and ensure there are no lumps. Sieve the liquid mixture if required. Add the lemon juice and stir to combine.

- Pour the watermelon juice into the popsicle molds and freeze until firm. Once frozen, to unmold the ice popsicles, dip the mold into the lukewarm water for the few seconds for easy release.

Enjoy the Watermelon Popsicles for hot summers and the kids are sure to enjoy these as treats after their play.

SONG - Watermelon on the vine
