Dear Parent,

Happy Holidays to our little kiddos!

We are going to miss our little bundles of energy and will be waiting to have them back with the joy, health and energy.

We have prepared some holiday activity sheets for the children to keep themselves busy during the vacation. Please appreciate and indulge them to do the things they enjoy best. Please do not force the child to complete the work. Help the children explore, observe and find his/her own solutions so that they can spend a wonderful time while doing their work. Let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

INSTRUCTIONS FOR PARENTS:

1. We expect holiday homework to be completed.
2. Encourage and guide your child through these activities.
3. Kindly try to speak with your child in English.
4. Kindly train your child in basic etiquettes of washroom and table manners.
5. Gently encourage your child to raise a kitchen garden by planting seeds.
Knowledge about plants and trees are an internal part of your child's growth.
6. Share your childhood stories and family history.

Regards,

Class Teacher

*Happy
Holidays*
